Dexter-Russell® Cutlery

The choice of professionals for both quality and widest selection in the world. The right knife for every cutting purpose... the right spatula or turner for flipping, turning, serving or scraping. All have the proper blade length, shape, flexibility, balance and handle design. Edges are hand-ground and honed to ultimate sharpness. Blades are available in either specially processed high-carbon or stain-free, high-carbon steel. Formed or traditionally shaped wooden handles are tightly secured to blade tangs with compression rivets.

RUSSELL®
GREEN RIVER® KNIVES

Custom handmade by skilled New England craftsmen. Heavy gauge stain-free, high-carbon steel blades feature full tang construction and edges that are hand-ground and hand-honed to ultimate sharpness. Handles are of North American black walnut, uniquely shaped for a firm grip and hand rubbed with a special penetrating oil. Triple riveted with large brass rivets.
